AS the class of 1950 leaves the Carousel, it will always remember the distinct, clear voices of the ringmasters. The class will remember the gay and hearty laughter of the crowd as it moved from place to place. The members of the class will recall the candy, pop, and the lunches eaten on the lawn at noon. The top performers, as they put on their last act, will be remembered by everyone.

The trees and shrubbery on the south side of the building will never be forgotten; neither will the beauty of the sunken garden nor the east side of our school in the spring. The many events of the last three years will always remain in the memory of the class of 1950.

## FUTURE DEDICATION

Our school today is the tangible evidence of the work of those gone on before. Those men had the ability to foresee the needs of the future and to build an institution which has served the city of Englewood for over thirty years.

The enrollment, activities, and plans for the future at Englewood High School have now outgrown the physical plant and facilities. The preceding facts have presented a challenge, by meeting this challenge we, the students, are assured that the needs of tomorrow will be realized only by the plans of today. These plans have been in the form of discussions and thinking which project our needs far into the future. Whether or not the plans materialize into reality can be determined only when the tomorrows become today's.

To the future High School of Englewood, whose planned expansion will further the pursuance of education by the students of tomorrow, this 1950 Carousel is sincerely and gratefully dedicated.

# TOP PERFORMERS

Our 1950 Carousel was led by two expert people. They operated it with dexterity and perfection, as we knew they would when we, the passengers, selected Polly Hosteller and Keith Wetterstrom as our top performers. They were endowed with the qualities which made them able-bodied performers worthy of their billing. Demure Polly is well known for her horsemanship and her musical talent. Vigorous Keith is the fellow with the personality that makes everyone like him.

In their hands we laid the future success of our Carousel. Together, they stood in the control room, ever ready to face any emergency which might arise. At times they were faced by conflicting forces, and it was hard to keep on the path. We came out on top at the end of the year because of their success as our top performers. Now we may look back upon a successful ride on our Carousel of 1950 and salute these two who were the ones who engineered the Carousel on its revolving path.

## RINGMASTERS

With the aid of our capable and efficient administration, the Carousel of 1950 completed a successful year. We owe our many thanks to Mr. Gulette for his helpful advice. We shall never forget Miss Flood's cheerful smile, and we will always remember Mr. Brooks and Miss Grubbs for their sincere and reliable support.

As we ride the Carousel of 1950 and travel through the Carnival of Fun, we begin to think back to our past three years.

On our journey we have met many friends including Roustabouts, Midways, Top Performers, Big Wheels, and last, but not least, Ringmasters.

Our Ringmasters were the following: Mr. Apel, a new member of the faculty, taught history. Miss Archibald taught our only Latin classes. Mr. Blessing instructed us in American history. Mr. Broadbent taught physiology. Mrs. Cashen, our home-economics teacher, again sponsored Pep Club. Mrs. Corey directed our successful senior pageant and also taught speech. Miss DeWitt was the girls' physical education instructor and also conducted a successful year with G.A.A. Mr. Dolezal, besides teaching commercials, was also business manager of Englewood High School. Miss Foote—English teacher, also well known as a drama coach—coached the successful junior and Thespian plays. Mrs. Fowler, Librarian of EHS, was our capable keeper of the books. Mr. Girtin, a 1949 graduate of Denver University, joined our list of new Ringmasters. He was physical education teacher and assisted in coaching our football and basketball teams. Mr. Hammons taught machine shop. Mrs.

Horton taught shorthand and was sponsor of the 1950 annual. Miss Hudson, in addition to teaching English, directed the successful senior play "Stage Door." Mr. Hurlbut, sponsor of Hi-Y, taught radio and practical electricity. Mr. Jennings capably instructed the boys in auto mechanics. Miss Killion efficiently sponsored Sub-Deb and instructed students in English. Mr. Kramer, history and international relations teacher, was also an auto driving instructor. Our head sponsor for 1950 was Mr. Landon. He taught woodcraft and leather work. Mr. McClelland was the enthusiastic director of Chess and Checkers Club and biology instructor. Our band takes off their hats to Mr. Nicholson. Mr. Nicholson has given his time and talent to directing our choir and Glee Club. Mr. Richert, head science teacher, was sponsor of Visual Club and also was an auto driving instructor. Mr. Riley coached the Pirates in basketball. We owe our thanks to Mrs. Roank, an English teacher, who was responsible for our school paper. We were all proud of Mr. Romans, Englewood baseball coach, who became head of the Englewood Recreational Department this year. Miss Scott ably taught the essentials of English. Many thanks go to Mr. Stanley, for his help and assistance on our fine wrestling team. Two other capable senior sponsors were Misses Florence and Lillian Sullivan. "Flossy" taught us about the French and Spanish people. Miss Lillian Sullivan

taught us the principles of mathematics. Mr. Tavener, although new to EHS this year, did a fine job with our football team. Mrs. Wallace was our art teacher. Mathematics was also taught by Mr. Watne. Our nutritious lunches were carefully planned and prepared by Mrs. Whitaker, home-economics teacher. Mr. Wilson, senior sponsor this year, gave much of his time and efforts to our wrestling team. He also taught commercial subjects.

Peggy Lakin, Alice Erickson, Mary Alice Seaburg, were secretaries in Mr. Jenkins' office. The staff was completed by Gladys Grant, efficient worker in Mr. Gullette's office.

We pause at this time to give our thanks and gratitude to our Ringmasters for their untiring efforts, helpful advice, and understanding ways through our journey on the CAROUSEL of 1950.

As the barker turned the switch and started us on the first spin of our long ride on the ferris wheel, we were tense and awestricken. We eagerly awaited the events we were to see from our new position on the circus grounds.

We were Roustabouts, very meek and timid, but full of vim and vigor, as we started out

As the members of the junior class take a stroll down the Midway, we think back to the first exciting weeks of our Sophomore year. In our first class meeting we chose the Chief Rostabouts—Pat Thompson, Roland Hessel, Fred Fogh, and Don Ida—to lead us successfully down the Midway

When we began to work on our float for Homecoming, the sophomores had no idea that we would even place; but, when the winners were announced, the sophomore class took no less than first place for the most comical float.

The numerous activities that the juniors participated in were, the junior play and the junior assembly, which are not to be forgotten soon. During the play and assembly, we had as much fun practicing as we did giving them. The junior play was a successful comedy. We shall never forget the excellent portrayal of the characters, and with such talent we are sure to have an even more successful play in our senior year.

The junior athletes who continued their outstanding performances were Charles Lamont,

Entering the circus grounds of Englewood High School, the students find the Roustabouts hard at work. Now in case you didn't know, the Roustabouts feed the animals and in general make themselves useful. The Class of '52 had a humble job to do, but they started out with enthusiasm and a will to do their job well.

Looking toward the right we students see the chief stake drivers of the Sophomore class: Lanny Smith, president; Jim Osmun, vice-president; Barbara Boyd, secretary; Jock Benson, treasurer; and Roy Henning, student council representative.

There were several of our more athletic Roustabouts who helped the Class of '52 make a name for itself in the field of sports. Four of them were: David Grand, Ray Eddy, Jim Schaefer, and Bill Chrisman.

Our pert 'n' pretty queen attendants were Betty Kay Smith and Joyce Hazlett for Homecoming and Sally Patchett and Shirley Thayer, attendants for the Pep Club Formal.

Now, as the Roustabouts lay down their stakes, water pails, and mallets, they think of the wonderful times to be had as we begin our journey through the Midway.

MARY LOU MOORE—HISTORY

## HISTORY

Miss Grubbs, Mr. Kramer, Mr. Blessing, Mr. Brooks, Mr. Apel, and Mr. Tavener are the teachers in this department. They have assumed the responsibility of training the students of today to be patriotic, informed citizens, who will take part in the affairs of tomorrow's world. One year of World History and one of American History are required of each high school student. International Relations, Psychology, Sociology, Economics, and Driver Training are the Social Science electives.

GALE WERB—OFFICE PRACTICE

DON CUSHING—BIOLOGY

## BIOLOGY

Mr. McClelland teaches this class which offers the fundamentals in the science field. It is a prerequisite to further study of science. Through experiments the students learn a great deal about this fascinating world and its inhabitants. Physiology, taught by Mr. Broadbent, is also an interesting course offered in this field. The knowledge gained in these classes helps one to understand and enjoy life more fully.

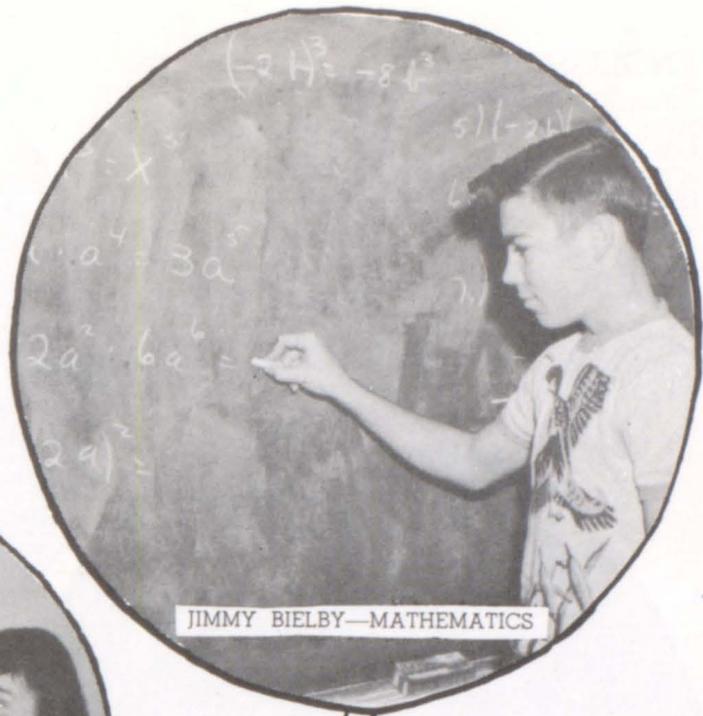

## COMMERCIALS

The object of this division is to assist the students to acquire economically productive skill and techniques of typing, bookkeeping, stenography, and related vocational subjects. The students have been fully prepared to meet the business world. Teachers working in this department are: Mrs. Horton, Mr. Wilson, and Mr. Dolezal.

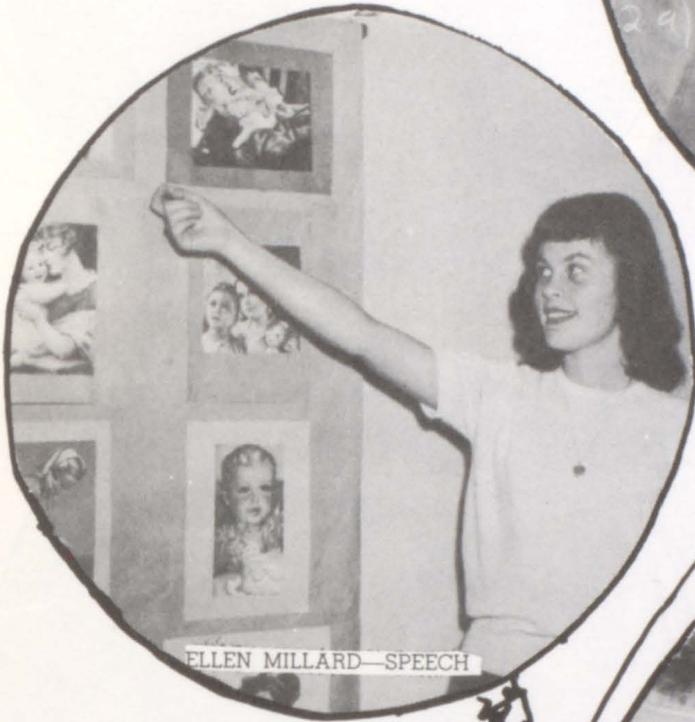

## MATHEMATICS

As one practices his exercises and scales to play beautiful melodies, so the student should practice his fundamentals to gain technique in this subject that turns the wheels of industry, builds bridges, designs airplanes, dominates transportation, and rings the cash register. Mathematics has been very valuable to those interested in this field of work. Miss Lillian Sullivan and Mr. Watne are the teachers in this department.

JIMMY BIELBY—MATHEMATICS

ELLEN MILLARD—SPEECH

## SPEECH

Mrs. Corey teaches these courses which aim to improve the speech of every student. Speech is a required subject for graduation. Through this class many students overcome bashfulness, stuttering, and bad habits which come to some when speaking in front of an audience. Several speech meets a year are among the many activities the students enjoy. The ability to speak and speak well is one to be proud of.

CAROL DIERKS AND PHYLISS JAMES  
Girls' Gym

## GIRLS' GYM

This group of energetic girls is headed by Miss DeWitt. The girls take part in many athletic games; as, volleyball, volley-tennis, basketball, and softball. Exercises prove to be a lot of fun as well as healthful. This active class teaches sportsmanship and helps to make healthier citizens.

## ENGLISH

This department is taught by Miss Foote, Miss Hudson, Miss Scott, Miss Killion, and Miss Roark. The purpose of studying English is to assist students to gain a feeling of security in the arts of oral and written expression. The required subjects are sophomore grammar, world literature, junior grammar, American literature, senior grammar, and speech. Electives are journalism, debate, and junior and senior dramatics, and stage craft.

ALEENE HEATHERS—ART

## ART

This class is under the direction of Mrs. Wallace. Color studies, textile painting, clay modeling, portraiture, and landscape painting are among the various things studied. A wide knowledge of drawing and design and the use of a great variety of materials is learned. Among their many activities, the art department makes a large number of the posters for the school and for various community organizations.

FOOD AND NUTRITION

## FOOD AND NUTRITION

Mrs. Whitaker teaches this class, which has proved to be very interesting and educational. The girls learn the value of economic meal planning, importance of calories, and gain a knowledge of many different and tasty recipes.

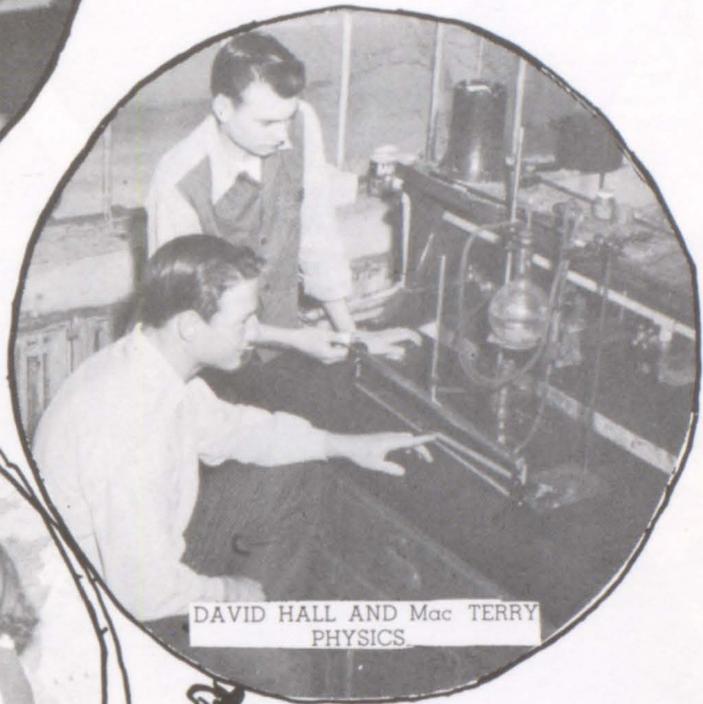

Mrs. Cashen teaches the clothing section of this department. This class teaches the girls to sew and to read patterns correctly. Englewood can be proud of its modern home economics department.

RUTH RUDOLPH AND JOHN HINES  
MUSIC, HISTORY

## HISTORY and APPRECIATION of MUSIC

Mr. Nicholson instructs these classes in a search for a more thorough knowledge of music. The history of music course is designed for a more thorough survey of the development of music. The study begins with the music of ancient, medieval, and carries through with the romantic, and modern periods. The appreciation of music part of the course parallels and supplements the historical study.

DAVID HALL AND Mac TERRY  
PHYSICS

MAXINE HESSEL, BARBARA DURLAND,

LATIN

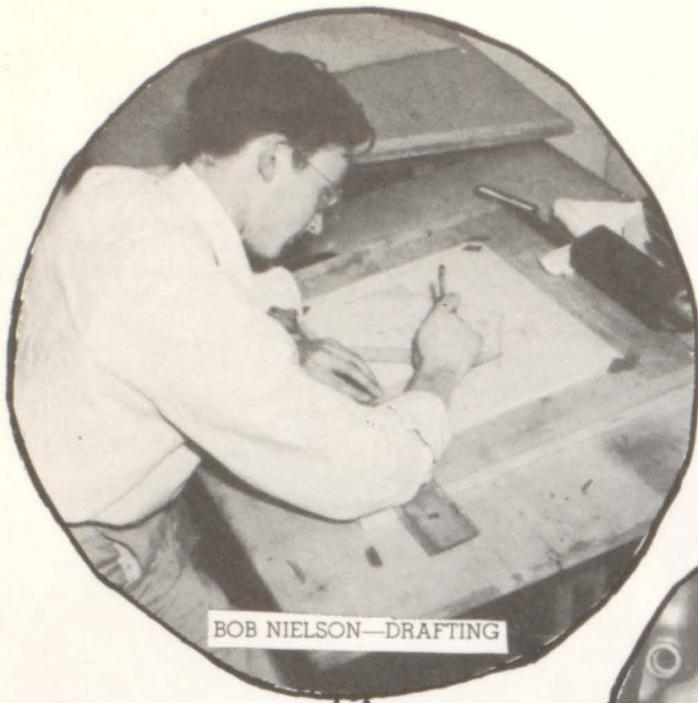

## LATIN

This class, along with Spanish and French, offers the foreign language necessary to go to college. Latin provides the background for the study of the Romance languages and gives the student a better understanding of English. Students are not only taught to speak the language, but also are taught about the people—their occupations, recreations, customs, and government. Latin is taught by Miss Archibald; French and Spanish are taught by Miss Florence Sullivan.

## PHYSICS

Physics is a branch of science dealing with electricity, magnetism, mechanics, light, sound and heat. This class is very important to those who expect to do technical or engineering work. Chemistry is another branch of science that is very important as it deals with the everyday application of science. Science has proved useful in such fields as plastics, and detergents. Mr. Richert teaches the physics and chemistry classes.

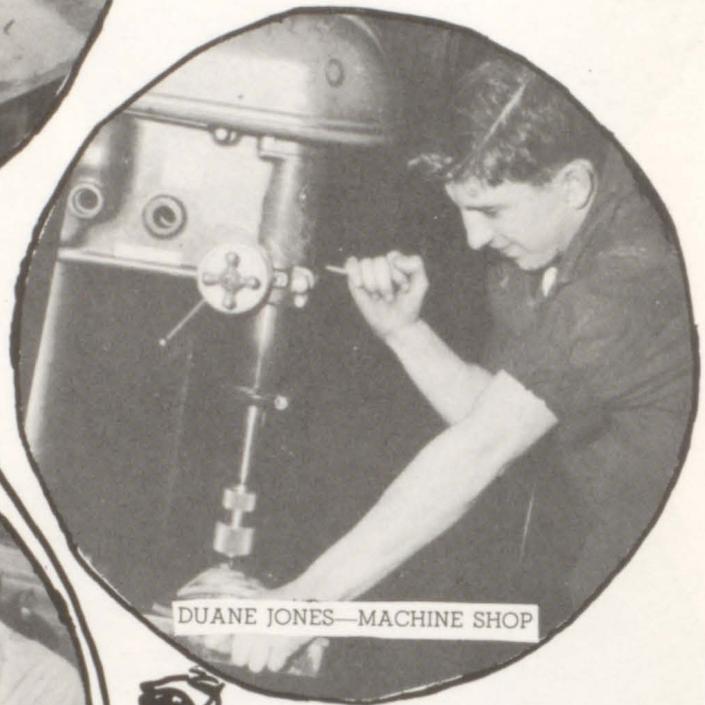

BOB NIELSON—DRAFTING

## DRAFTING

Drafting is a very valuable course for the boys who are planning to become engineers, machinists, cabinet makers, carpenters, and professional draftsmen. Drafting is offered three years in senior high. Mr. Landon teaches this subject. Interest in the work is proven by the fact that the class has doubled in size during the past few years.

DUANE JONES—MACHINE SHOP

DICK NEWTON AND VERL TURNER  
ELECTRICITY

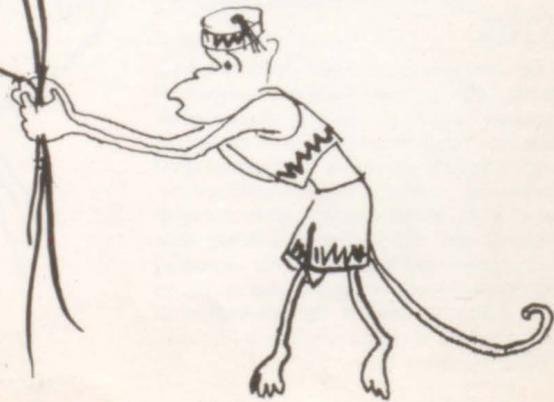

## MACHINE SHOP

Mr. Hammons instructs this class. The boys are taught shop math, the operation of different types of machine shop equipment, lathes, milling machines, shapers, planers, and all types of grinders.

Machine shop and auto mechanics work very closely together, as the shop makes parts and tools for auto mechanics. The boys make and work from blueprints. Mr. Jennings is the teacher of auto mechanics.

## ELECTRICITY

Mr. Hurlbut teaches this class which is designed to provide basic knowledge of electricity. Another class along this line is the radio class. In this students learn the fundamentals of one of the many occupations that are based on radio. The purpose of these courses is to provide students with an opportunity to learn how to use man's most powerful servant with safety.

Englewood Junior High School's Host and Hostess Club, under the direction of Miss Clydene Rosseter, again sponsored the annual March of Dimes Auction sale for the purpose of collecting money to contribute to the campaign for infantile paralysis, on January 27, 1950, in the Englewood High School auditorium. The auction sale began immediately after lunch and continued throughout the afternoon until every item was sold.

these privileges were: Miss Flood's position as principal for a day, and double lunch hours for both home rooms and individuals. For the seventh and eighth graders the freshmen's positions as hall monitors for a day were auctioned off.

## Amsbury Elected To Head EHS Pep Band

The Englewood high school pep band had a regular business meeting Tuesday at 3:15 to have election of officers and to discuss what action should be taken concerning their performance at the Longmont basketball game.

Phil Fullerton, acting president, presided until the new president, Merrill Amsbury, was elected. Other officers are Phil Fullerton, vice-president, and Lanny Smith, secretary-treasurer. The new president then took over and the members all contributed ideas to a constitution.

A lengthy discussion on the status and future plans of the pep band concerning pep assemblies and basketball games was held, but no action was taken.

A certain instrumentation was decided upon and no outside persons will be allowed to play in this organization. The official members of the band now are: Bill James, Jim Early, Mark Byers and Jack Richards—Clarinet; John Hickman, Lanny Smith and Roland Hessel—trumpet; Jack Rice—baritone; Ralph Early, Jim Nicholas, Don Nickel, and Phil Fullerton—drums; Merrill Amsbury—tenor sax; Don Thompson and Bob Kelly—saxophone.

## Forty D. Practice

EHS has and observers Denver University, others. They are in the physical education department. For instance, the Physical Education Department and Mr. Blewett, American History teacher, Mr. Kramer are in the speech department, and most of the teachers have at least one student-teacher.

Student-teaching of the act later will have regular teachers. It is both the student-teaching and the regular teachers. Most of the students are in their life's work. It is not surprising to find out in the high school area.

## STUDENT COUNCIL

Every Carousel has to have a managing group and ours was the Student Council. Throughout the entire year this group did a fine job helping the school administration with school problems and activities. Student Council was led by Keith Wetterstrom and Polly Hostettler as co-presidents, Kathryn Blomberg as secretary, and Mabrey Downey as treasurer. This year the council sponsored the Homecoming assembly and the Christmas dance, Candy Cane Capers. They set up a student court for the purpose of trying offenders of school rules

## RED CROSS

Our Red Cross has done a fine job this year in helping the National Red Cross Council. They helped fold bandages for the different hospitals, they gave a Christmas program for the men at Fort Logan hospital, and they filled boxes for the children overseas. The council was led through the year by their fine sponsor, Miss Lillian Sullivan. Our vote of thanks goes to this very enthusiastic club for their fine efforts throughout the year.

These ambitious girls did a fine job this year, building fellowship and goodwill among themselves and other girls with whom they came in contact. They sponsored a dance, "Cupid's Capers," on February 10. Gale Werb and Lonnie Farmer were king and queen for the evening.

Each year the Y-teen girls send one girl to conference at Camp La Foret from June 25 to July 2. They also do charitable work in the community and overseas.

## PEPSTERS

This was one of our top performing groups this year. Led by Lois Hill, Jackie Kendrick, Betty Davis, and Ellen Millard, this group rated many encores from the students and faculty for their fine sportsmanship and yelling at the games; this proved to be their biggest success for the year.

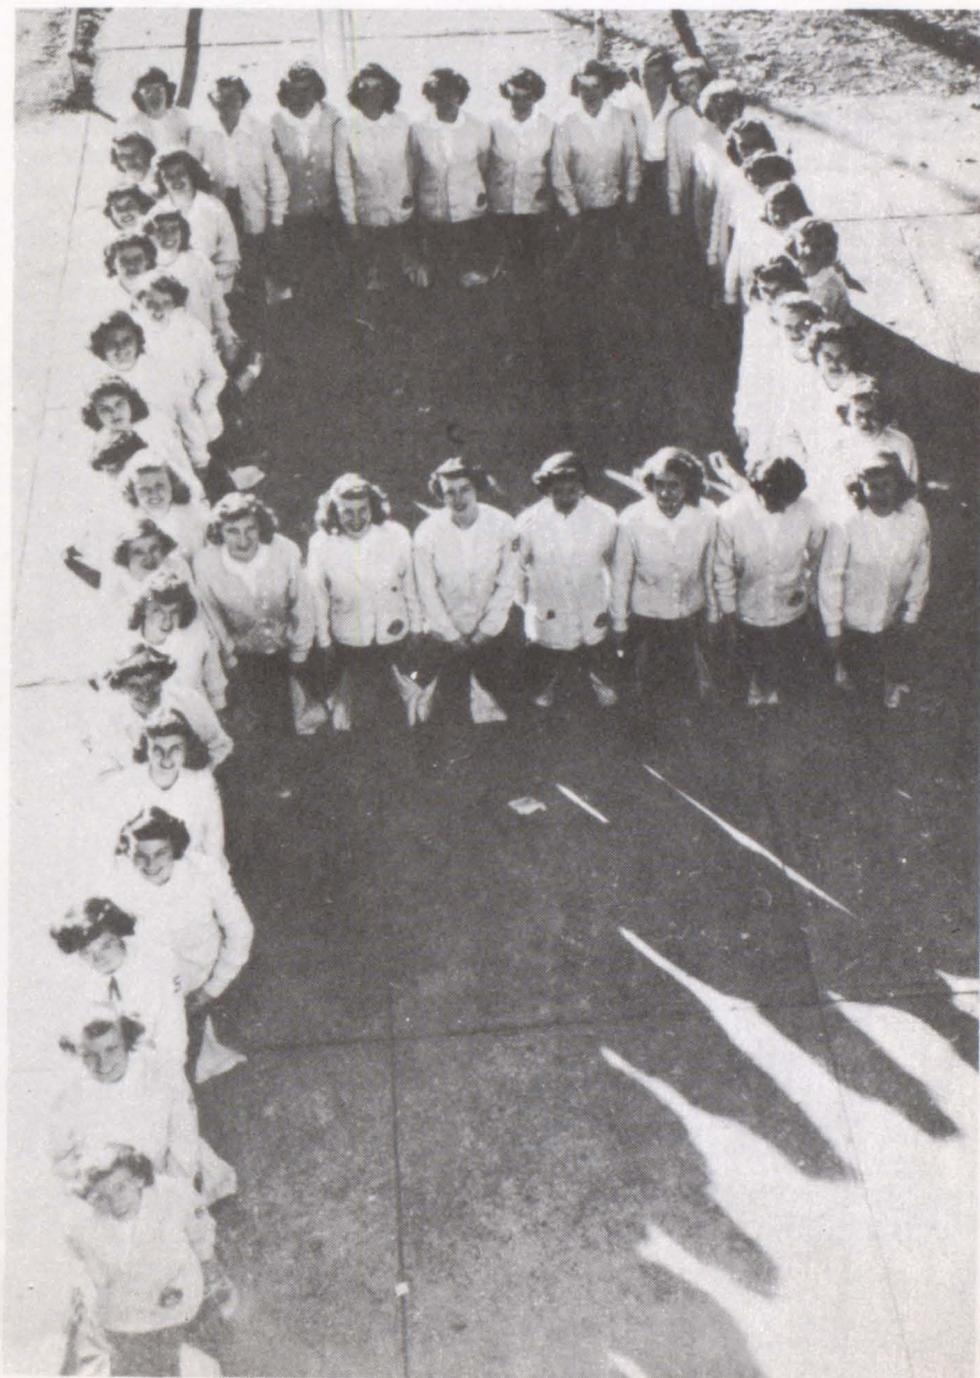

The football dance also went over big, it especially left everyone feeling like a "good Samaritan" because of our contribution to the Clayton fund.

The night of the beautiful pepster formel, "Sweetheart's Swirl," everyone felt like the star of the show. Shirleyanne Campbell reigned as queen with Carole Selby, Lois Hill, Betty Hilmes, Janie Boyd, Shirley Thayer, and Sally Patchett as her attendants.

Blue and White Day proved to be a wonderful day with everyone dressed in our school colors. It lasted all day, ending in a sport dance that night.

Others who helped this group close a successful season were Mrs. Velma Cashen, the sponsor, and Karen Edge and Kathryn Blomberg, the drill team leaders.

### SUB DEB

This was another one of our hard working clubs. These girls are big sisters to all the new girls in the school. Among their many sponsored activities were the Homecoming Dance with Gene Briggs Band, the Pig Pen Push, their school assembly "Miss Quackenbushe's Record Shop" and the annual basketball banquet. Their beautiful float in the Homecoming Parade carried out the theme of the day in the form of a huge saddle shoe. This club was led throughout the year by Gale Werb, Jonna Lee Michels, Helen Jackson, Shirley Campbell, and Carol Ferris. Miss Killion was their popular sponsor.

### E-CLUB

This club is made up of all the letter men in the school. These boys are a credit to our school and deserve a big hand for their efforts in the past year. The club members adhere to strict rules for their training and must maintain them in order to remain in the club. The boys set a fine example to all the future athletes in school and throughout the year they have helped to promote Englewood's sports. E-Club was led through the year by Bill Schooley and Larry Bonner.

## MAJORETTES

These high-strutting, hard-working majorettes were an attractive group at all of our football games. During the year they participated in many outside activities such as parades, club programs, and contests. Led by the head majorette, Marvene Peterson, this group did a fine job throughout the entire year.

## PEP BAND

The Pep Band, our real calliope on the carousel, played for all our Pep Assemblies and home basketball games. Phil Fullerton and Merrill Amsbury served as presidents for the first and second semesters respectively.

## ORCHESTRA

This group was under the able direction of Mr. Nicholls. Their officers were Don Thompson, president; Lanny Smith, vice-president; Carol Moline, secretary; and Jack Benson, treasurer.

They played for the junior and Thespian plays. They also attended the state contest in Greeley on April 17, the music festival, and the spring concert. To earn money for the music department, the Orchestra helped to sponsor the Music Parent's Association Carnival in the fall and Englewood Day at Lakeside on June 2.

In February they held their annual party and dance which was enjoyed by all the members and guests.

## BAND

This year the band did a wonderful job under the direction of Mr. Nicholls. They played for all the home football games and several out of town games. They also gave an assembly and several public concerts. They played for the Englewood firemen and for the March of Dimes Campaign when Peggy Lee visited our auditorium.

The Band attended the state contest in Greeley on April 17, the music festival, and the spring concert.

The Band also helped to sponsor the Music Parent's Association Carnival in the fall and Englewood Day at Lakeside on June 2. These are two money-making projects held during the year for the music department.

Their officers were Phil Fullerton, president; Bob Youngquist, vice-president; Virgene Thomas, secretary; and Jim Early, treasurer.

## CHOIR

"When the Circus came to town" it brought many things besides the Carousel, clowns, and monkeys; it also brought the joyous songs of the choir. Their songs brought joy to the other riders on the Carousel and all others who heard them.

During the year they presented several assemblies and sang for the pageant and commencement exercises.

They also attended the choir tour in Greeley on March 27th and 29th, the music festival, and the spring concert.

Besides singing at school functions, they also sang for the Lions Club, Chamber of Commerce, Eastern Star, and the State Convention of P.T.A. at the Shirley Savoy on April 14.

Mr. Nicholson was their able director.

## GIRLS' GLEE CLUB

The Girls' Glee Club has been more active this year than ever before and has increased in size from thirty-three to sixty girls. The girls have new robes which were purchased with the money from the music carnival.

They presented a Christmas assembly, caroled at Fort Logan and Fitzsimons, gave a vesper service, several public concerts, and attended the music contest in the spring.

Mr. Nicholson directed this group which had several different accompanists throughout the year in order to give more girls a chance both to sing and to play the piano.

## FORENSIC CLUB

This year's EHS Forensic Club had a successful season in the field of speech. The meets attended by Englewood were held at Longmont, Boulder, Fort Collins, and Denver University. Mrs. Corey was their capable coach and the officers were Marjorie Smith, Donna Proctor, Barbara Durland, and Pat Legget.

## STAGE AND LIGHT CREW

Without this willing crew there would have been no stage sets for the various plays presented at Englewood this year. They have built the sets for the senior play, junior play, Thespian play, Le Ota Club play, and all the various assemblies and civic programs put on at the school. Miss Jeanne Foote directed and led this crew throughout the year.

## G.A.A.

Although none of these girls ever learned to be "tight rope walkers" or do "acrobats on an elephant," they did enjoy many athletic activities during the year. Girls in G.A.A. may letter and receive pins in this organization for the sports they participate in during the school year.

These performers sponsored the annual wrestlers' banquet and the G.A.A. vs. Wrestlers basketball game. The girls in their trim baize "costumes" were led by Caroll Dierks, Peggy Whitecotton, and Carol Peasley. Their fine sponsor and teacher was Miss Maurine DeWitt.

## HI Y

This all boy club led by Mr. Hurlbut and Don Ida had a very successful year with a large membership in the club.

Their chief purpose was to promote good citizenship and good health. Along with their other activities they sponsored a dance at which Mabrey Downey was elected "The Great Lover." They also organized a basketball team which played Hi-Y teams from other schools.

## CHESS & CHECKER CLUB

The Chess and Checker Club provided amusement for our busy carnival hands. They had tournaments so that all members had a chance to improve. Their very able sponsor was Mr. McClelland and the president was Roger Rice.

## AUTO DRIVING

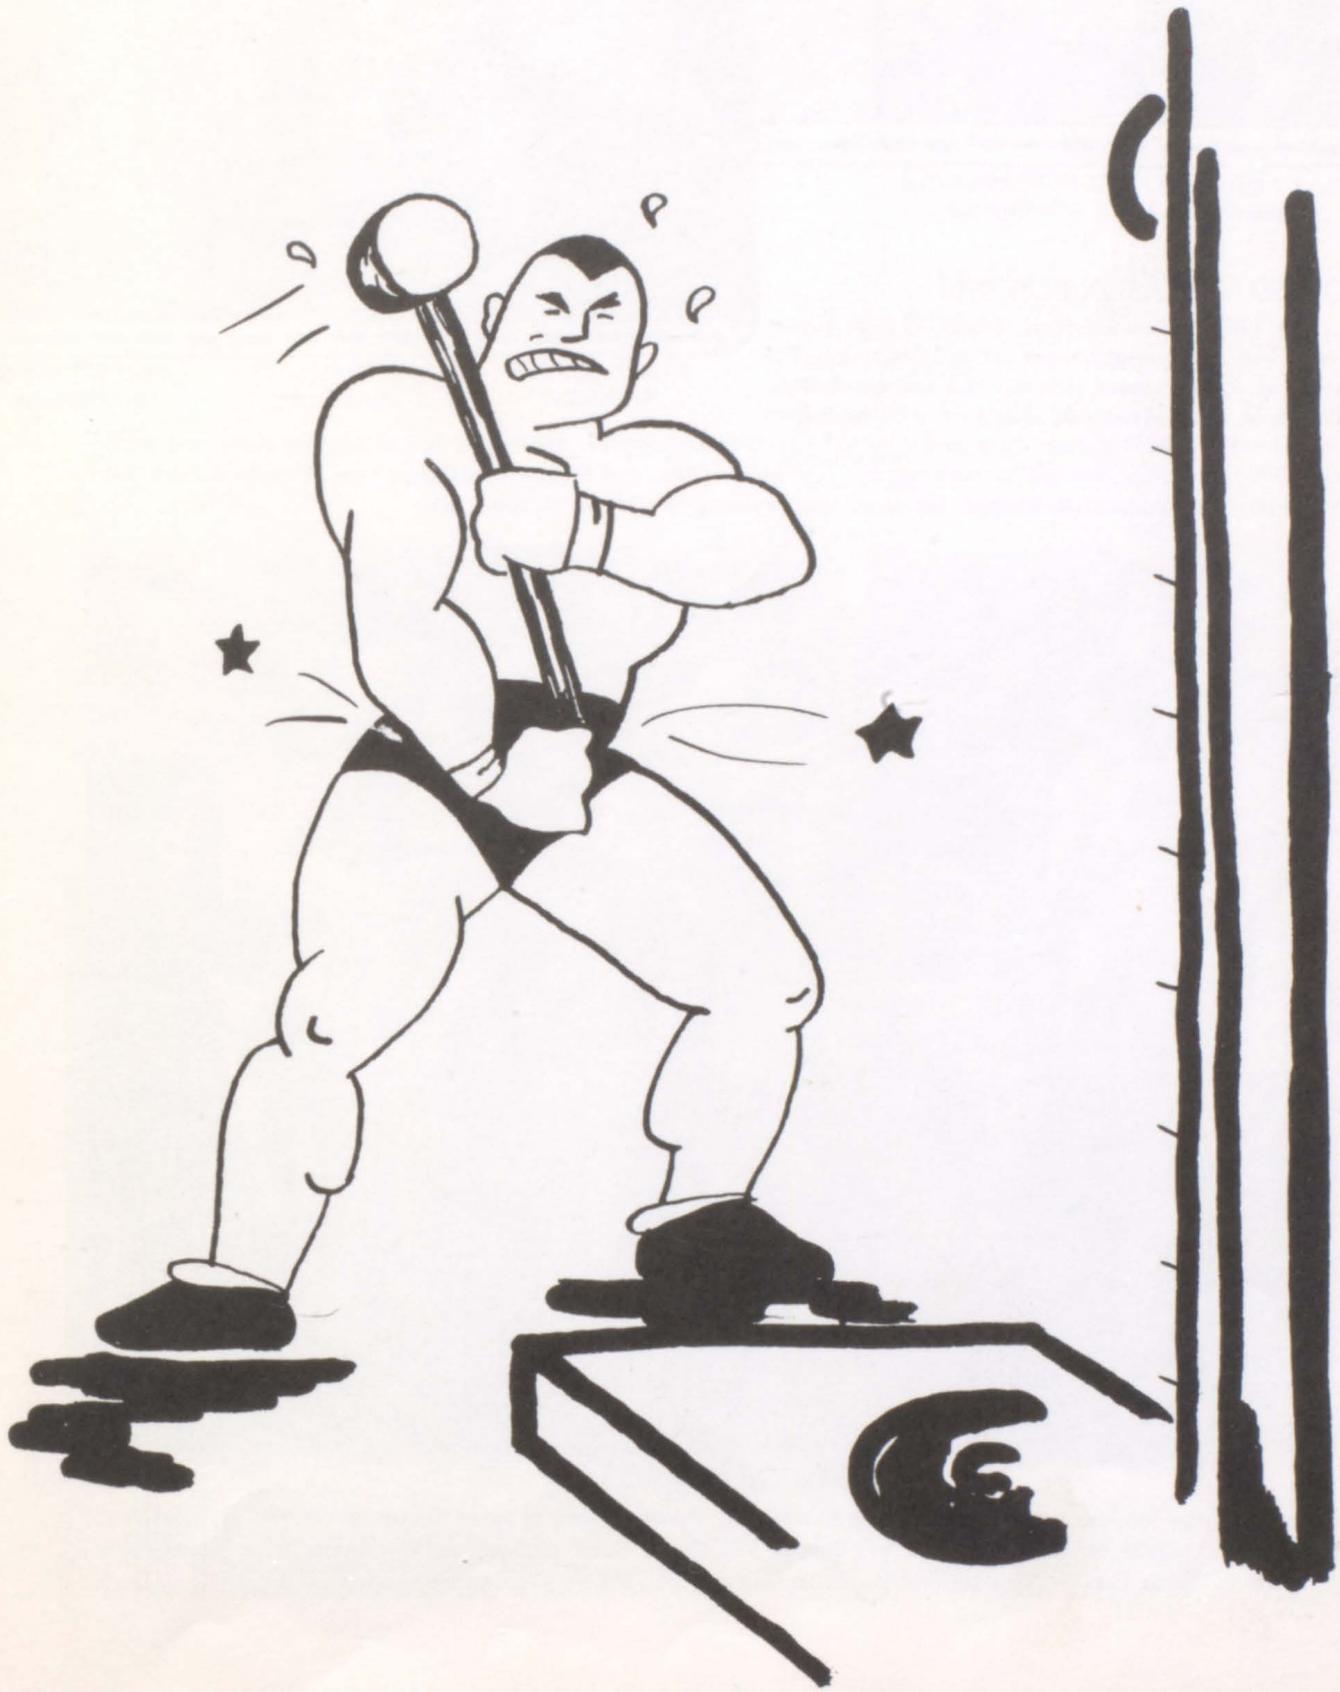

The students who belonged to the drivers training group not only learned the proper attitude toward driving but also gained actual driving experience. The majority of the group received their drivers' licenses at the end of the course. Mr. Richert and Mr. Kramer were their fine teachers.

## FOOTBALL SEASON FOR 1949

The 1949 Englewood High School football season was indeed an unusual one as far as records go. The Pirates ended the season with no wins and ten defeats, although in some games they outplayed their opponents in almost every statistical department in the books. Coach Hank Tavener, assisted by line coach Chet Riley and back-field coach Jack Girtin, had lots of material, but bad breaks, fate, and inexperienced boys kept Englewood back this year. With good material throughout the team, next season should be a good one.

With a new coach Chet Riley, and Hank Tavener to assist him, the Pirate cagers hit the floor with little speed and practically no height. The only returning lettermen were Stan Woodman, who was the tallest man on the team at six feet one inch, Don Reinke, Bill Schooley, George Benefield, and Harold Friem.

The season was not a success in the "won and lost" column, but with many sophomores and juniors returning next year the Pirates are looking forward to a better season.

Headed by Captain George Benefiel, the lettermen this year are Don Reinke, Harold Friem, Jim Schaefer, Chuck Sisson, Larry Shomaker, Roland Hessel, Stan Woodman, and Bill Chrisman.

NORTHERN CONFERENCE CHAMPS  
KEITH WETTERSTROM, MAC TERRY, LYLE SNELL

The Englewood Pirate wrestlers chalked up a successful season during 1950 with five wins out of nine matches.

With six returning lettermen—Snell, Woods, Wetterstrom, Terry, Gantzler, and Shriver—the season started with a decisive victory over rival Littleton.

The Pirate matmen continued through the season training for the conference meet. At conference the Pirates emerged with three individual champions, Snell, Terry, and Wetterstrom; Gupton took second; and two others took third, Gentsch and Grand.

The team owes much to all the fellows who stayed out night after night to help put the wrestlers in condition. To these and all the matmen good luck in future matches.

## WRESTLING COACHES

The wrestling team is proud to claim Mr. Harry Wilson as their coach. He was graduated from Colorado State College of Education at Greeley, where he majored in commercials and received his Bachelors Degree in 1935. In the fall of 1935 he began his teaching career at Cortez High School. He came to Englewood in 1947. His busy schedule includes coaching varsity wrestling, junior high wrestling, and teaching commercial courses.

Coach Ray Stanley, our famous assisting coach, also obtained his education at Colorado State College of Education. It was here that he earned his B.A. degree. He started teaching at Englewood in 1943. Although assistant coaching is one of his chores, he also teaches junior high mathematics.

Larry Black, another one of our assistant coaches, is a student at Denver University where he is majoring in Physical Education and is minoring in English. Besides assisting in wrestling he is a student teacher in the junior high air geography class.

# CSCE GYMNAST ASSEMBLY

# UNDER THE BIG TOP

As passes the summer — so passes vacation, and back to school we came, anxious and eager for another school year. A year filled with laughter, gay times, school activities, crowded halls, short walks to trade school, quiet assemblies, and, of course, studies.

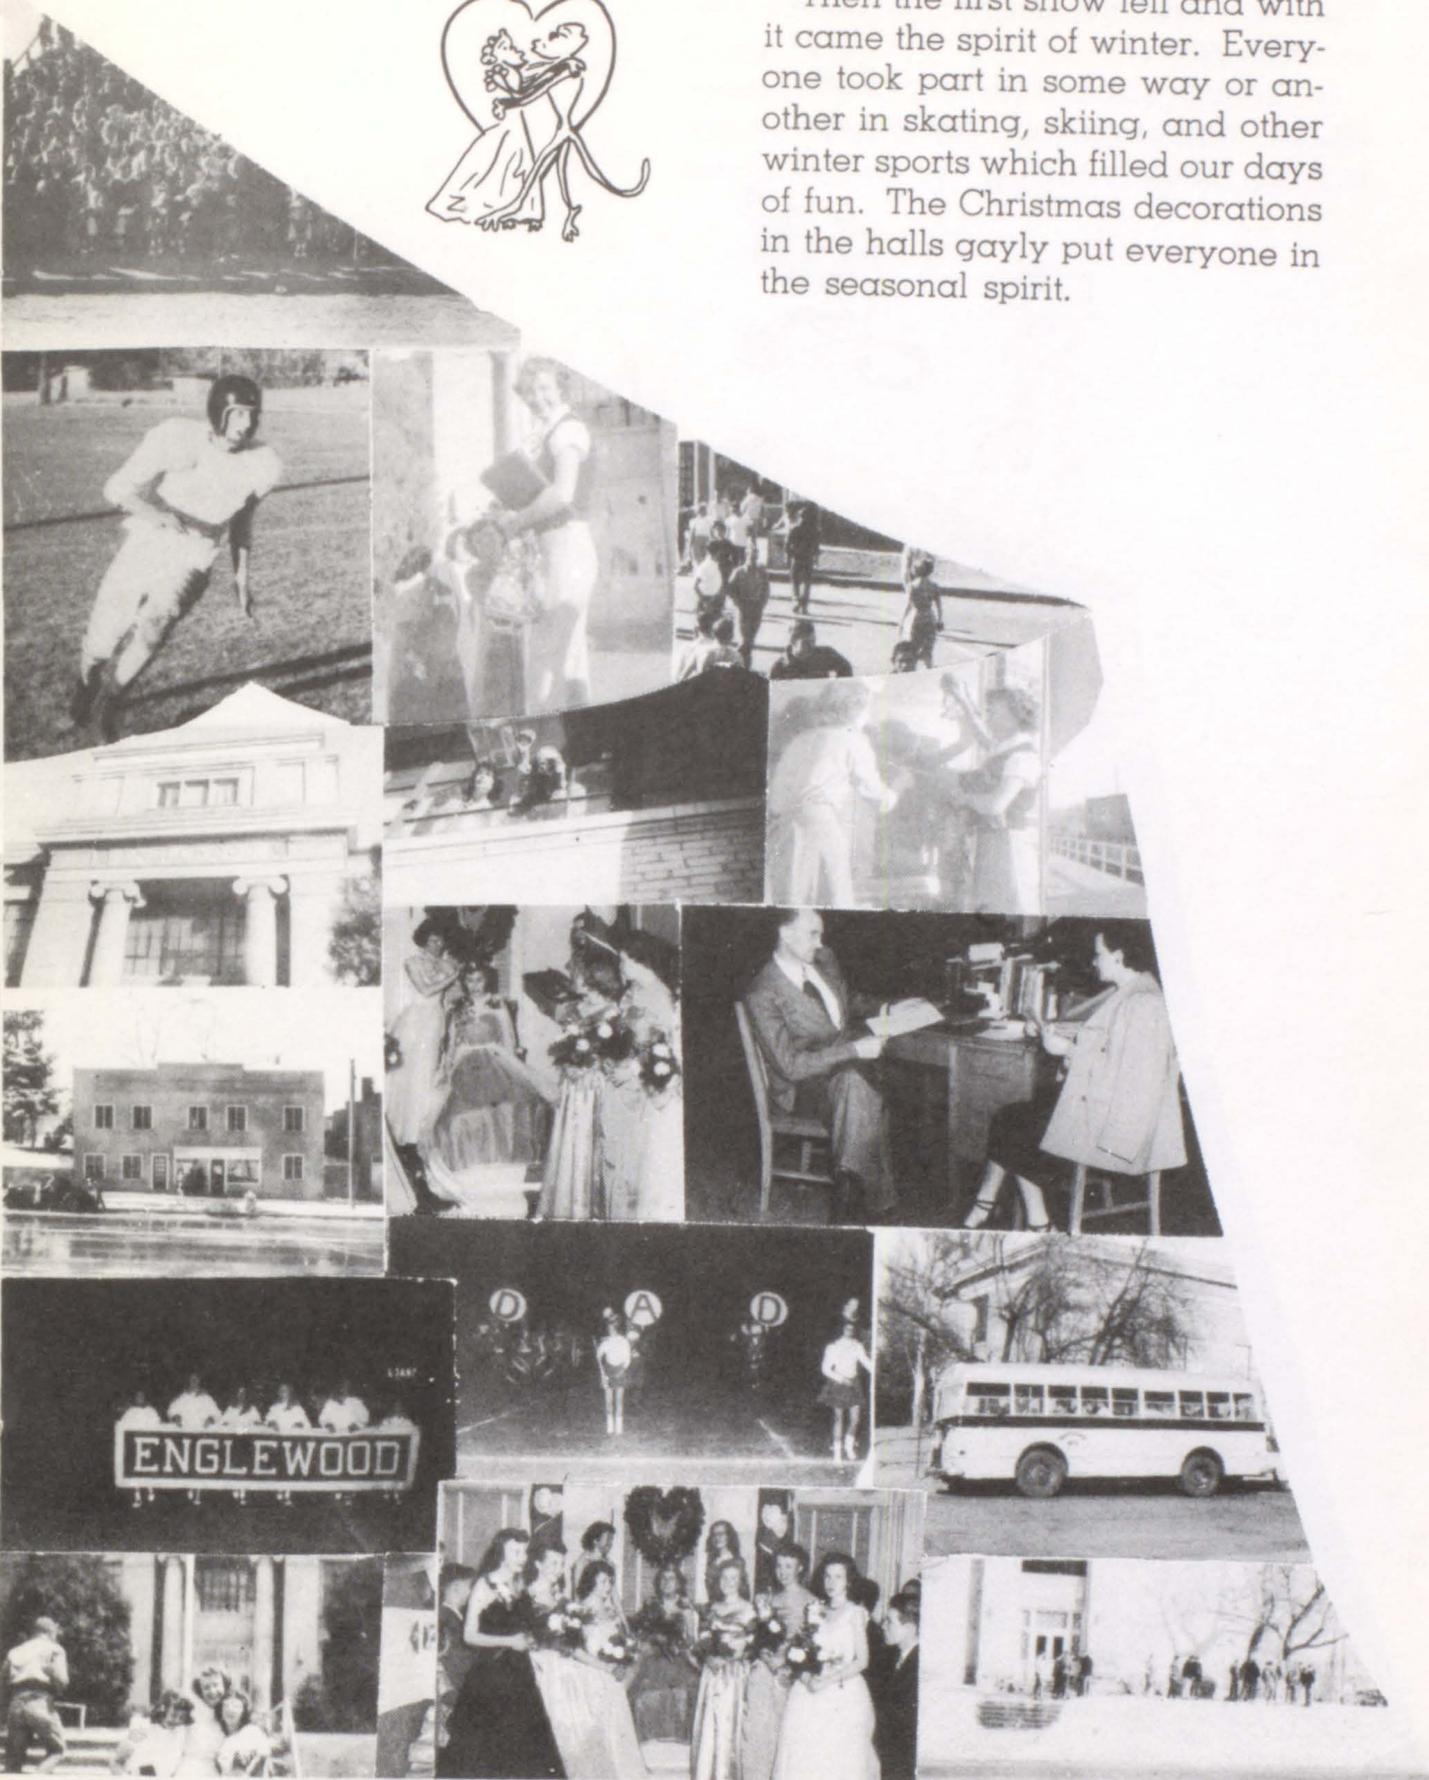

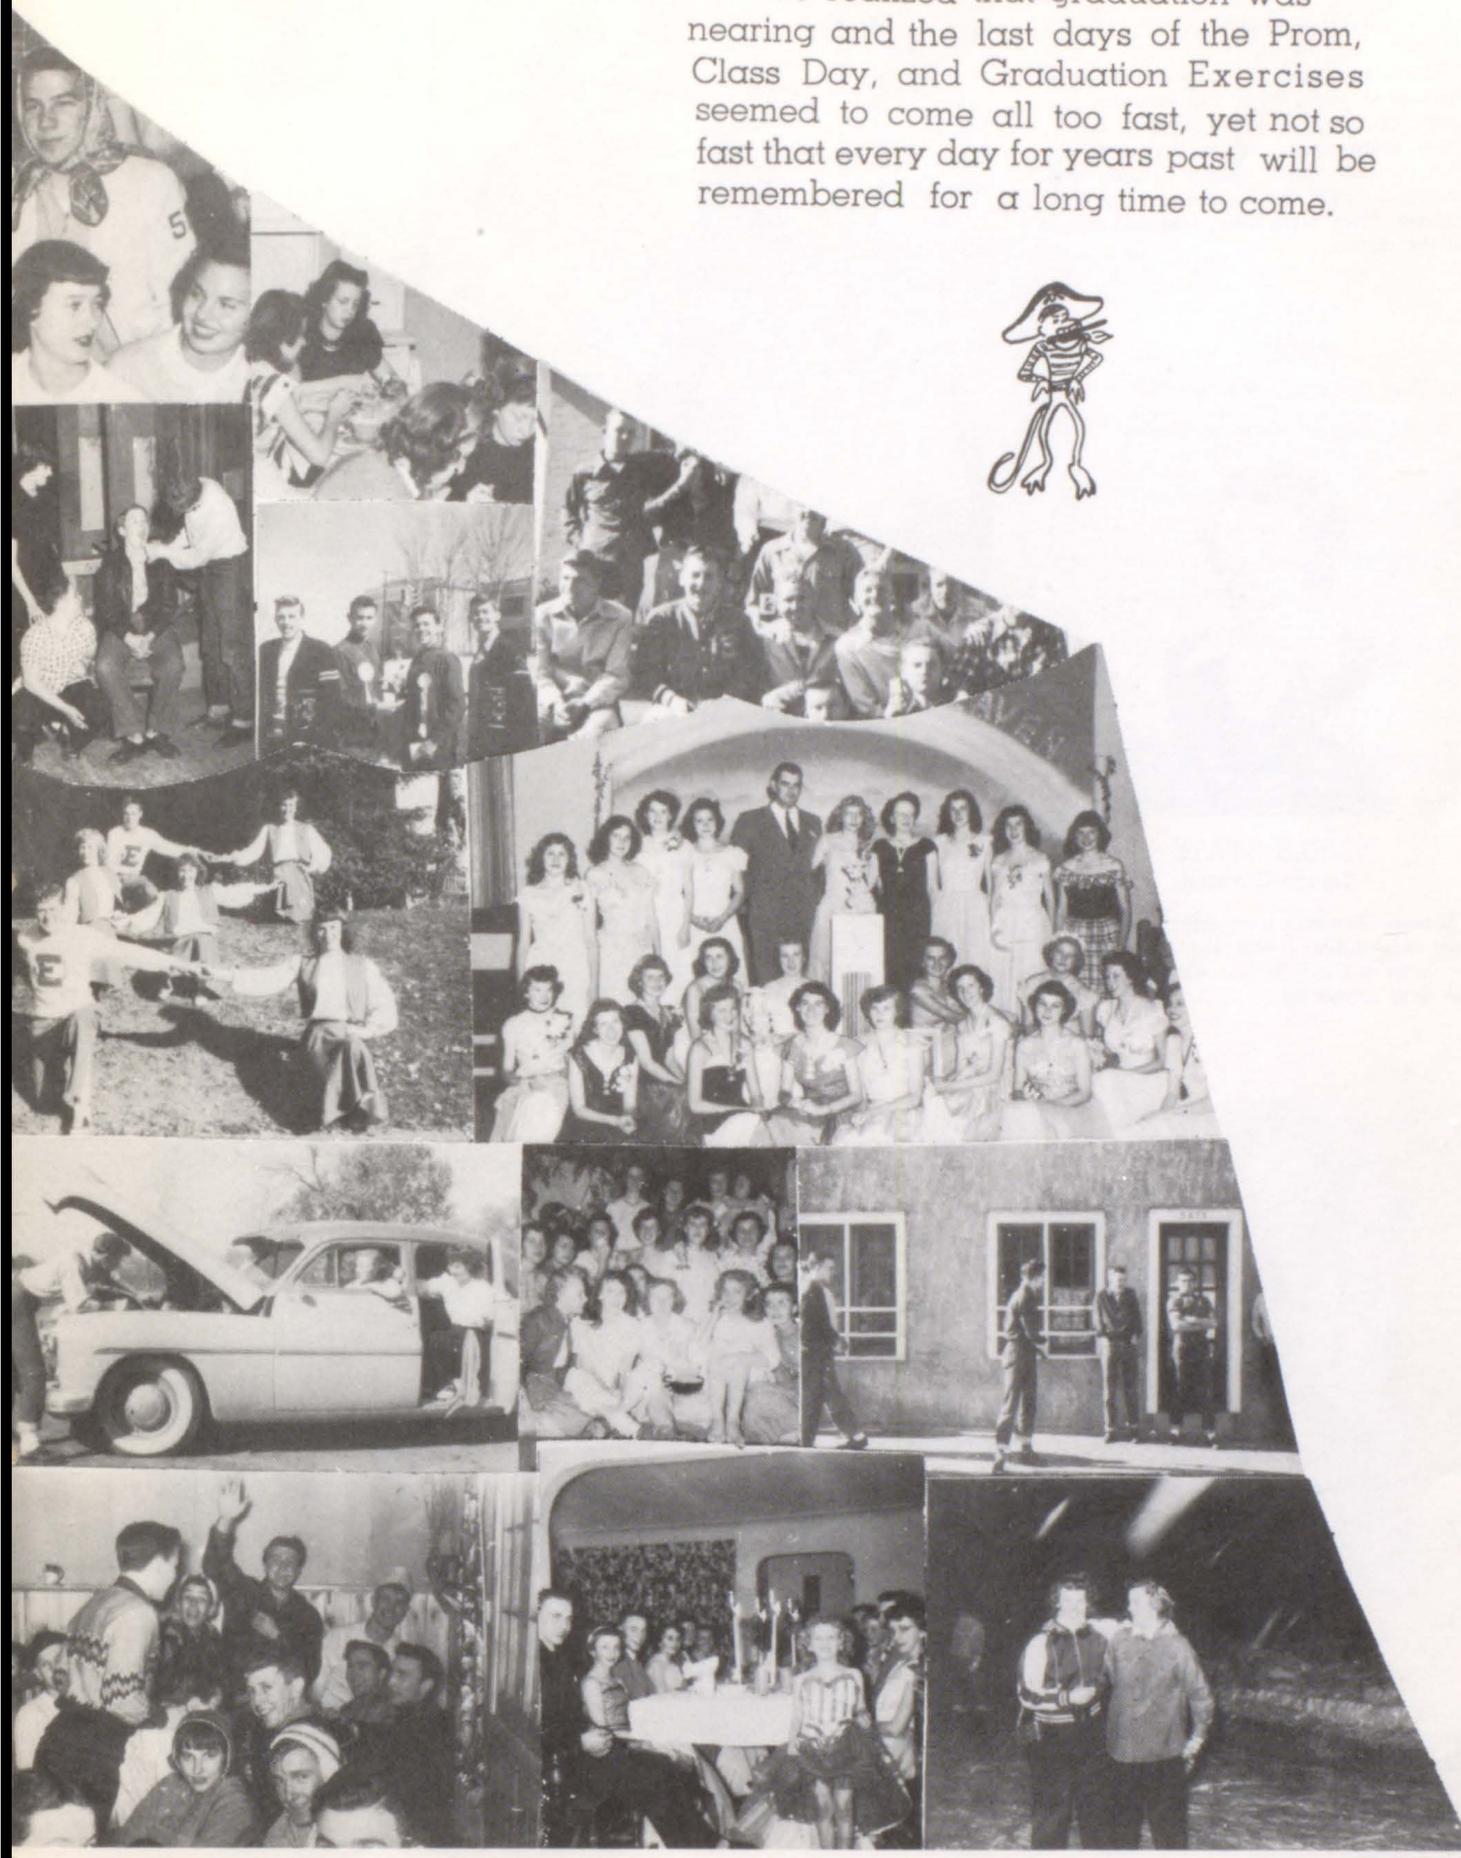

Then the first snow fell and with it came the spirit of winter. Everyone took part in some way or another in skating, skiing, and other winter sports which filled our days of fun. The Christmas decorations in the halls gayly put everyone in the seasonal spirit.

We realized that graduation was nearing and the last days of the Prom, Class Day, and Graduation Exercises seemed to come all too fast, yet not so fast that every day for years past will be remembered for a long time to come.

# HOMECOMING

## QUEEN

Jonna Lee and her attendants were chosen to reign over the homecoming game and dance by the boys of E.H.S. They were conducted to the center of the football field, where Jonna was crowned with the traditional football helmet. They were also presented again at the dance.
